SPONSOR A PLAYER!!!!

If you are looking for an inexpensive way to reach new buyers and help a local youth, sponsor an American Legion Baseball player. You can sponsor a player and receive the following benefits for a donation of \$100 or more:

- Sponsor game tickets.
- Your company name will be placed on the "Wall of Fame" board at the entrance of Rodeo Park stadium for one full year.
- Your company name will appear in the NALB program.
- Your company name will be attached to the player you sponsor and every time that player is announced for any purpose, so is your company name.
- Our announcers are trained to promote the sponsor a couple of times per game.

Your donation dollars will introduce your company to hundreds of potential buyers every year. Rodeo Park, the home field for the Nampa American Legion baseball teams, is also the home field for Nampa High School's baseball teams. The Nampa Babe Ruth program has hosted many of their tournaments here and it has also been the site for many high school All Star games, District and State Baseball Tournaments.

How many people does that put in front of your company name in a year? Many families from across the Treasure Valley and Eastern Idaho come to many games at Rodeo Park. We need your help to keep this baseball program alive, and in return for your sponsorship we will do everything we can to promote your business.

THANK YOU FROM THE AMERICAN LEGION BASEBALL PROGRAM!!!
