

I agree to devote 100% my entire service as an American Legion Baseball (ALB) player this season to _____ (team name).

I UNDERSTAND THAT no registered Idaho American Legion Baseball Player may be registered with nor have any affiliation with any other organized athletic team during the current scheduled ALB season.

The penalty for violating this rule could result in:

Suspension of the player

Suspension of the Coach

Forfeit of all team wins of the season that the player played in.

Loss of team ability to play in any district or State tournament.

If a player wants to attend a showcase, tryouts, and individual camps. Idaho American Legion Baseball strongly supports this however they must obtain Dual Participation permission from the Chairman of the Idaho American Legion Baseball. (Use National form **Dual Participation**)
