

## Registration for Legion Baseball

### Registration:

- Please fill out all registration forms completely, front and back. Please make sure all forms are signed by the player. Some forms also require a signature by the parent/guardian.
- We need the player's ORIGINAL birth certificate unless the player is a returner. This is a National rule. Our Area B Directors will create player cards for those that provide their birth certificate.
- We need to collect a check for \$550.00 made payable to NALB. We will hold the check until June 10<sup>th</sup>, which is the deadline for sponsor money. When you give us your sponsor money, if it is less than the amount due, you will need to pay the difference. Should you not make a team; your money will be returned.
- We need to collect a check for \$100.00 made payable to NALB. We will hold the check until the end of the season. If you volunteer for the required number for your team, your check will be returned. If you don't complete the requirement, your check will be cashed.
- All players will need to fundraise for a minimum of \$250.00 through our two fundraising opportunities or include \$250.00 as part of your registration fees.
- A forfeiture of the full registration fee will be assessed if player decides NOT to play AFTER the teams are formed.
